The University of Western Australia Accommodation Bursary

The University of Western Australia Accommodation Bursary is designed to improve accessibility to accommodation at one of the UWA Residential College or Hall involved with the National Rental Affordability Scheme.

The successful student will receive the equivalent of one-half of the contracted Residential College or Hall room rate including any meals associated with the weekly rent. The period of the bursary is for one year and the successful student will be required to pay for the remaining half of the contracted rate.

Current or prospective full-time UWA domestic undergraduate and postgraduate students wishing to gain admission to a UWA college with an NRAS allocation are entitled to apply for this bursary. Where possible, the priority will be given to students who fall into one or more of the categories listed below;

• Financial hardship
• Indigenous
• Women studying within non-traditional disciplines
• Students with disabilities
• Rural and remote

To apply for a UWA Accommodation Bursary, please complete this application form and forward it to the college of your choosing by the closing date nominated by that Residential College or Hall.

You must have submitted an application to reside at the Residential College or Hall for your bursary application to be valid. You may also be required to attend an interview.
