Things to do & places to visit

1. Cottesloe Beach

A short bus ride from UniHall takes you to Cottesloe's breathtaking white sandy beach and stunning sunsets. If it's too crowded, go further down the coast (towards Fremantle) where you will find Leighton Beach, which is just as beautiful.

2. Kings Park & Botanic Garden

King's Park is one of the largest inner-city parks in the world with more than 6 million people visiting it each year. Take a guided walk through the paths or explore WA's stunning nature yourself. You can casually stroll through the Federation walkway or the 'glass bridge', climb up the 101 steps of the DNA tower, admire the 750-year-old boab tree, or reflect at the State War Memorial Cenotaph precinct. Our favourite is to overlook the Perth City skyline at night.

3. Swan Valley

A vast highway of wineries, chocolate factories and stunning rural sights. The House of Honey and Sandalford Winery are definitely our favourites!

4. Bold Park

Bold Park is a great place for a scenic walk amongst native plants and wildlife. Head to the lookout for stunning views of the Perth CBD and then take a walk through the Zamia Trail, a 5km loop taking around an hour and a half – perfect for a study break!

5. Serpentine Falls

Just an hour drive south of UniHall, this will make for a great day trip through Perth's more rural landscape. Whether you pack a picnic, relax by the waterfall or set out along one of the walk trails, you will be sure to have a wonderful day relaxing in nature here. Note that it's best to go in the wetter months so you can see the waterfall in all its glory.

6. Legmurdie Falls

The Falls are surrounded by a collection of picturesque walking trails that range from an easy walk to a more challenging hike. There can be quite a lot of climbing involved which may be a challenge for aspiring trekkers, but the views are definitely worth the sweat. Between June and November is the best time to visit as there is plenty of water at this time of year.

7. Caversham Wildlife Park

A wildlife park brimming with animals and creatures. Our favorite part is the huge roaming area for kangaroos that you can pat and feed.

8. Araduen Botanic Park

A picture-perfect place for picnics and a day out in nature. For a true show-stopper we suggest you go in tulip season (every spring), as it's absolutely stunning.

9. Raeburn Orchards

A fruit orchard worth a visit if you decide to go to Araluen. From dainty cherry blossoms in spring to fully-loaded persimmon trees in autumn, there is always something here worth seeing.

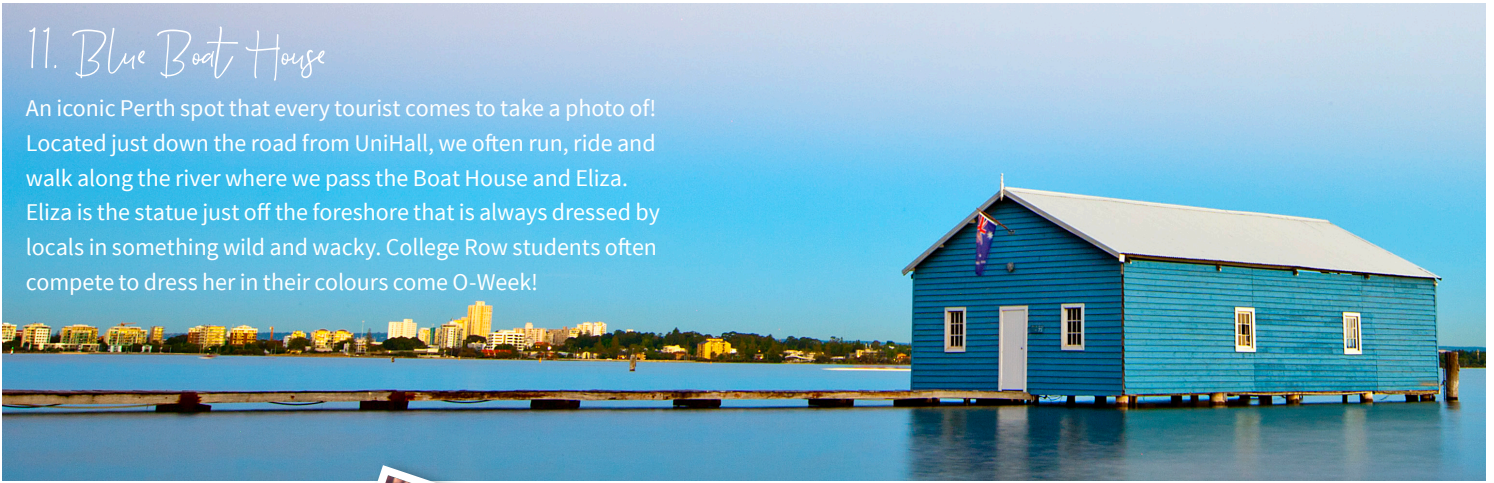

10. Hillarys Boat Harbour

This quaint marina is lined with a great range of eateries and stores — you're sure to find yourself over-indulging in delicious food or some retail therapy. No matter where you sit you will face a stunning seaside view and it's definitely one of the best spots to watch the sun set!

11. Blue Boat House

An iconic Perth spot that every tourist comes to take a photo of! Located just down the road from UniHall, we often run, ride and walk along the river where we pass the Boat House and Eliza. Eliza is the statue just off the foreshore that is always dressed by locals in something wild and wacky. College Row students often compete to dress her in their colours come O-Week!

12. Fremantle Weekend Markets

One of the main attractions in Fremantle, the markets are definitely worth a visit! With so much to offer from fresh fruit and veg, local clothing and gifts, to natural soaps and food stalls, you will be sure to walk away with something.

13. John Oldham Park

You don't need to venture far to find a hidden sanctuary in Perth! Nestled on the outskirts of the CBD, John Oldham Park brings the beautiful flora and fauna of Western Australia to your doorstep. Topped with a tropical waterfall, and an enormous slide that is enjoyed by young and old alike, this is the perfect place to sit in the sun, have a nice picnic and enjoy all that Perth offers. You may even be lucky enough to see some baby swans!

14. Bounce

Bounce is an indoor trampoline park with different sections for playing dodgeball, shooting basketball hoops, learning flips and wall running. Sessions run for an hour, or you can buy an entry for unlimited time. Bounce offers student discounts during certain times and requires booking ahead so you will need to be organised so you don't miss out!

15. Ice Skating

The best place for ice skating in Perth is Cockburn Ice Arena; it's the largest rink and has discounted student nights and disco nights. In winter there are usually outdoor skating rinks in Fremantle or the City that are worth checking out too.

16. Rock Climbing

The most convenient venue for indoor rock climbing for UniHalers is Rockface in Northbridge. They feature student discounts, friendly staff and space for both rock climbing and bouldering! If you have a bit more time it's worth a trip out to Malaga to visit City Summit. City Summit is a much larger venue with higher walls, more routes, more bouldering space and the option to try climbing straight up ropes or ladders hanging from the ceiling.

17. Mettams Pool

Protected by a reef, this beach is nice and calm so it's good for less confident swimmers but even better for a snorkel. One of our favourite places in the summertime, as it's easily the best place for snorkelling with an abundance of reef and fish to explore!

Street Art Guide

Perth is full of street art surprises, particularly in the city and around Fremantle. While there will be plenty more to discover, here are a few of our favourite pieces.

Grocery Guide

Aside from your usual Coles and Woolworths supermarkets (which can be found in the centre of both Claremont and Subiaco), here are a range of good grocery stores to check out when doing your weekly food shop.

SPUDSHED

These fresh food markets are open 24 hours, 7 days a week. With super cheap prices and local produce, it's worth traveling that little bit further to do your grocery shopping at Innaloo.

331 Stirling Hwy, Claremont

This café and espresso bar is a favourite brunch spot among UniHillers—they even have their own in-house artisan roaster for their coffee beans. Though their menu is constantly evolving with new additions as the seasons change, two of our favourite constant fixtures are the Spiced Beef Eggs Benedict and the Buttermilk Pancakes!

Neighbourhoods

FREMANTLE

Affectionately known as 'Freo,' come and experience the lively ambience in one of Perth's most highly rated suburbs. You can enjoy a coffee or a meal along the 'Cappuccino Strip', potter your way through the captivating Fremantle Markets, go underground on the fascinating Fremantle Prison Tunnel Tour... and so much more! Fremantle is one of the easiest places to explore by either foot, bike or the free City Area Transit (CAT) bus that does regular circuits. A guaranteed good time, Fremantle is a must-see place in Perth!

NORTHBRIDGE

Northbridge is Perth's Chinatown by day and the nightlife hub by night. Home to the majority of Perth's clubs and bars, as well as hundreds of Asian supermarkets and restaurants, it is beautifully vibrant, and a great place for any time of the day!

PERTH CITY

It might be hard for some of you to believe that all our city life is contained within three streets, but it's true! A short bus ride into the City and you will find everything that you might need, including the major supermarkets and department stores. Note that whilst late night shopping is Thursdays in the suburbs, it is Friday in the CBD where shops stay open 'til 9pm instead of the usual 5pm.

SUBIACO

Just a short bus ride north of UniHall and you will find yourself in the City of Subiaco. Subi is a suburban area but has the benefits of city living. There are a number of cafés and boutique shops which are perfect to visit on a day out with friends and family. Also located within Subi is Domain Stadium (a football stadium) where thousands of people will gather to support their football team.

MANDURAH

Surrounded by waterways, Mandurah is a buzzing foreshore just under an hour's drive from UniHall, making it the perfect day trip destination! Mandurah's Dolphin Cruise may sound like just another tourist attraction but we've seen plenty of dolphins and water birds every time we've gone!

ROTTNEST ISLAND

A small island around 20km off the coast of Perth, Rottne is accessible by ferry. There is plenty to do here, whether you swim or snorkel, hire a bike, explore the beach or settle down at one of the cafés or pub for some food and drink. It's a right of passage to get a selfie with the quokkas, which are a native marsupial that can only be found on the Island.

LEEDERVILLE

Leederville is home to a selection of hipster cafés, funky little bars and beautiful street art. Standouts include Gusto Gelato with some of the best homemade, fresh gelato in Western Australia, and Greens & Co with its laid-back vibe, posters covering every surface of the walls, super comfy couches, delicious coffee and an amazing selection of cakes.

Cottesloe is home to one of the most popular beaches close to UniHall. With a range of cafés and restaurants along the water and more fixed between some of our favourite boutiques in the township, you will be sure to fall in love with the heritage vibe in this area.
